DEPARTMENT ACTIVITIES

Best Practice

[1] Competitive Exam Training

Competitive exams refer to standardized tests or assessments used to evaluate and select candidates for employment, admission, or other opportunities. These exams are designed to assess an individual's knowledge, skills, and abilities in a fair and objective manner, often serving as a gateway to secure positions in the civil service, public sector, or prestigious educational institutions. In our Department we are giving coaching to Under Graduate students for preparation like tnpsc, bank exam, postal exams & RRB.

[2] Coaching for SET and NET exam

The National Eligibility Test (NET) is an entrance exam for postgraduate students who want to teach in universities in India. It's also known as the UGC NET. The National Testing Agency (NTA) conducts the NET exam twice a year. The SLET (State Level Eligibility Test) is an entrance exam conducted at the state level in India to assess the eligibility of candidates for Assistant Professor Positions in universities and colleges within a specific state. In our Department we are giving coaching to Post Graduate Students for SET exam, NET exam and PG TRB.
